A GIFT FOR HIS MASTER

Beautiful and Appealing Oil Paintings Now Yours as Full Color Large Art Prints

ALL 4 ONLY $1

Just picture these irresistible puppies in your own home. Everyone who sees these appealing waifs fall in love with their adorable warmth and touching wide eyes. You just want to take them into your home and into your heart. That's because the artist, Coby, one of America's most perceptive painters of animals has captured the universal appeal and warmth you find only in a funny, friendly puppy. Under his sensitive brush, the wonder of puppyhood and the realistic backgrounds combine to give a compassionate glimpse of life. Unfortunately the black and white illustrations here cannot possibly convey all the artist's magical color and brilliant details. Only when you see them in your home can you fully appreciate their magnificent artistry and superb beauty.

OFFER WILL NOT BE REPEATED THIS SEASON

We urge you to order your full color prints now while the supply lasts. The dramatic portraiture of animals is the latest decorator rage, and these are certain to go quickly. In order to show some of the craftsmanship and intricate detail in all the pictures we have shown one picture larger than the rest. Actually all four fine art prints are the same size, a full 11"x 14" decorator size. So hurry, order now, offer will not be repeated this season in this magazine.

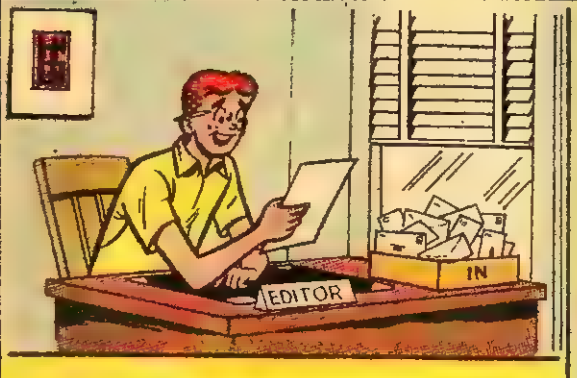
PALS 'N' GALS NO. 50 FEB. MEMBERSHIP — TWENTY CENTS



FIRST PRIZE — $5.00

REPORTER
SUSAN HERSHBERGER
Box 1774
Trona, California 93562

Dear Archie,

I have just joined your club and I would like to tell you about my hobby.

My hobby is bowling. I started three years ago, and I love it. So far I have bowled in Barstow, Lancaster, China Lake, and Sacramento. These were state tournaments. July 31st we are going to my grandmother's house until Saturday, then we will go to San Diego, because my sister and I will bowl in a state tournament. This is my sister's first year of bowling.

My other hobby is reading Archie comic books. My sister and I have 91 of them.

SECOND PRIZE — $3.00

REPORTER
DIANE TAYLOR
1100 W. Wabash
Crawford, Ind.

Dear Archie,

We went to California last summer, and on our way we stopped at Universal City, where they make movies. Leaving the city we saw a monster standing by the door. My sister, Carla, went up to the monster and squeezed his finger very hard. Then she told me to squeeze his face, so I did. All at once, the monster started tipping back and forth! My dad grabbed it. Just then the monster started to laugh! It was really an actor playing a trick on us. We were so embarrassed, but it was all in fun.

THIRD PRIZE — $2.00

REPORTER
SHARON LEMON
Route 2 Box 184
Hot Springs, Va. 24445

Dear Archie,

I am thirteen years old. We live in the country. There is a pee-wee nest on the side of

our house. Every morning I would go to see the female bird go out to get food and bring it back again. After two or three weeks of doing this I got curious and decided to go up on a ladder and see how many eggs were in the nest. Well, I climbed up and saw four tiny eggs. I was about to climb down when I heard a knocking sound and I looked back and the eggs were hatching! Then I climbed down and saw the mother bird come back and feed the little ones. This was a most exciting experience and I wanted to share it with everyone.

FOURTH PRIZE — $1.00

REPORTER
PARTICIA LEAHEY

Dear Archie,

I would like to tell you about my trip to South Dakota. We rented a trailer and it was fun going to the different trailer parks in the different states. The park in South Dakota was called "Red Arrow Camp."

Every night there was a hayride and after the ride was a show which included rope twirling and all sorts of dances in which everyone could participate. The second day we were there we drove to Rapid City to see Mount Rushmore. I think that was the best trip I ever had.

FIFTH PRIZE — $1.00

REPORTER
JOHN CURRIE

Dear Archie,

I have a pet Raccoon named Sidney. It's fun when I get home and Sidney meets me at the door with a rubber ball. We play for hours but time seems to fly.

Once Sidney wanted to play ball and I threw the ball in the road, when a car almost hit Sidney. So from now on we play far away from the open road.

Girls! Now You Can Have A Fabulous Figure The 6 Second Way!

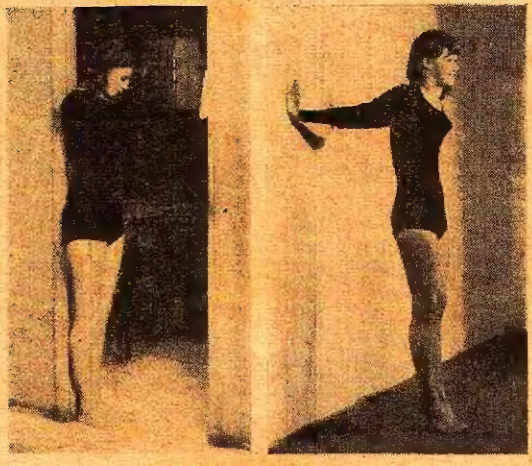
It is almost like a miracle. You can actually lose flab around stomach, thighs, waist, hips, neck, face and not move out of your seat. Unbelievable? New scientific tests show that you get faster and better results from Isometrics, the new method of exercise. Another astounding fact about Isometrics is that you do each exercise only 6 seconds a day. No special equipment is required, or trips to gyms, playing fields, swimming pools or bowling alleys and you can concentrate on any part of the body that you are interested in controlling.

DESIGNED BY EXPERTS

The series of exercises in Isometrics — The Static Way to Physical Fitness were prepared under the supervision of Victor F. Obeck, Professor of Physical Education and Director, Division of Athletics, New York University and Isadore Rossman, M.D., Medical Director, Department of Home Care and Extended Services, Montefiore Hospital, New York.

HOW-TO-PHOTOGRAPHS

Every page is fully illustrated with photographs showing exactly how to perform the Isometrics and how to get the best and fastest results.



A MUST FOR DIETERS

You will still need Isometrics even if you have decided to reduce solely by dieting. Because when the fat is gone there will remain layers and layers of loose, flabby, unattractive skin that had been stretched out by the fat. Miracle Isometics tightens and restores the firmness to the skin and eliminates the undesired flabbiness. Isometrics does it in only 6 seconds a day. Convince yourself. Mail the coupon and try Isometrics for 10 days. Unless you get the desired results, return the book and you will receive a full refund of the purchase price.
